

1. Feuer niemals unbeaufsichtigt lassen!
2. Kinder und Tiere niemals alleine lassen!
3. Weihnachtsbaum wässern!
4. Fluchtwege frei halten!

A photograph of a living room during a Christmas fire. A Christmas tree is engulfed in flames, with fire reaching the ceiling. Two firefighters in full gear are on the left, using a hose to spray water. A brown sofa and a coffee table with a white tablecloth are in the foreground. A television is on a wooden cabinet to the right. The scene is filled with smoke and falling embers.

Das muss **nicht** sein!
